

## Problem of the Week

### Problem D

### All in the Family

Five brother-sister pairs are participating at the Winter Olympics. Each pair is involved in the events in the same sport. No two pairs are in the same sport.

Using the following clues, determine each brother-sister pair and their sport.

1. Grace's brother is Caleb.
2. Jess participates in Slalom and her brother is not Daniel.
3. Isabelle is not a participant in Luge at the Olympics.
4. Ezra and his sister Helga are participating in Moguls.
5. Anton, in the Biathlon, is not Isabelle's brother.

You may find the following table a helpful way to organize your solution to this problem.

	Frieda	Grace	Helga	Isabelle	Jess	Biathlon	Curling	Luge	Moguls	Slalom
Anton										
Brian										
Caleb										
Daniel										
Ezra										
Biathlon										
Curling										
Luge										
Moguls										
Slalom
